WHAT TO DO IN A WEATHER OR OTHER EMERGENCY

If weather or an emergency in Austin should delay or otherwise affect the scheduling of convention sessions, full information on such changes will be posted on the MLA Web site (www.mla.org/convention). If a local or personal emergency should cause you to have to delay or cancel your attendance at the convention, you should contact your hotel and airline carrier as early as possible. Requests for registration refunds must be postmarked by 8 January. Visit the registration and housing FAQ page for more information. If you are scheduled to speak or participate in a session, please notify the session organizer. You may also want to annotate your session listing in the online Program.

POLICIES

Audio- and Videotaping at Sessions

Neither audiotaping nor videotaping of sessions is normally permitted. Occasional exceptions may be made for members of the media taping short segments designed to convey the convention atmosphere.

Such arrangements must be made through the press office and require the consent of all speakers at a session. When taping is approved, a representative of the media staff will accompany the reporter and crew. The session organizer will announce to the audience that audio- or videotaping will take place during a part of the session. Only background taping is allowed, not the taping of an entire session. Requests to film the convention as part of a creative or documentary project must have been submitted to the Executive Council by 16 October.

Badges

Badges are required for admission to convention sessions, the exhibit hall, and the Job Information Center. Badge holders are available at the MLA registration and welcome centers in the ACC and the JW Marriott and at the satellite registration and badge replacement desk in the Hilton Austin. Lost badges can be replaced for \$10.

Canceling Sessions

MLA sessions should only be canceled if nearly all the participants are unable to attend the convention. In such a situation, please contact the MLA headquarters office immediately (convention@mla.org) so that convention attendees can be informed of the cancellation. Organizers should also inform all the session participants of the cancellation.

Fragrance

The Committee on Disability Issues in the Profession reminds attendees that refraining from using scented products will help ensure the comfort of everyone at the convention.

Guest Passes to Sessions

All MLA members and members of the profession that the MLA serves are required to register in order to participate in or attend sessions.

A convention speaker may obtain a pass for a guest who has no professional interest in language or literature to hear a presentation by that speaker at a single

session. The speaker must request the pass at one of the MLA registration and welcome centers on the day of the session, before the centers close. Passes may not be requested by guests of speakers, MLA members who have not registered for the convention, or by speakers for guests for any reason except to see the requester speak in a particular session.

Guest Passes to the Exhibit Hall

MLA convention registrants may obtain free passes to the exhibit hall for guests they accompany in the hall. Persons who are not registered for the convention and who are not accompanied by registrants may purchase a one-day pass to the exhibit hall for \$10. These passes are available at the exhibitor information booth (ACC, Ballroom Prefunction, level 4).

Identification

You may need to have a government-issued photo ID when you check in to your hotel. Security personnel may ask to see a hotel room key or may ask that you be accompanied by a hotel guest with a room key.

Reading in Absentia

To encourage discussion and dialogue among panelists and attendees at convention sessions, reading in absentia (whether by *Skype*, videoconferencing, audio delivery, or presentation by surrogates) is not normally permitted. Presenters who are unable to attend the convention because of unforeseen emergencies are reminded that they may include a link to their papers in the online Program.

Smoking

Smoking is prohibited in most buildings in Austin.
